State Farm secures lead sponsorship of INHP Community Breakfast

Indianapolis, IN –The Indianapolis Neighborhood Housing Partnership (INHP) announces that State Farm has secured a Platinum Level sponsorship and will serve as Co-Presenter of INHP’s 2010 Community Breakfast, along with Lilly Endowment Inc.

“State Farm is proud to continue our long term partnership with INHP,” says State Farm Vice President of Agency David Champ. “We consider INHP to be a great partner in our ongoing commitment to leaving a lasting legacy in Indianapolis. Our mission is to help people manage the risks of everyday life, recover from the unexpected and realize their dreams. The work that INHP does is in perfect alignment with our mission.”

State Farm’s sponsorship of INHP’s annual celebration event complements their recent investment in the Near Eastside Legacy Project to impact the neighborhoods of the Near Eastside. It also punctuates State Farm’s ongoing support of INHP programming that educates and prepares families for long-term homeownership and champions healthy, viable neighborhoods.

“State Farm’s sponsorship of the Community Breakfast will allow INHP to create a meaningful event that celebrates our mission,” says INHP President Moira Carlstedt. “We are grateful for State Farm’s ongoing support of INHP, our mission, and the families and neighborhoods we serve, and we look forward to having them as a part of our premiere event.”

The INHP Community Breakfast is an annual event that brings community leaders together to celebrate INHP’s mission, informs new and past INHP supporters about the nonprofit’s programs and achievements, and recognizes the dedication of families who, supported by INHP, are working diligently to become long-term, successful homeowners.

This year’s Community Breakfast is set for August 24, 2010 from 8 am-9:30 am at the Downtown Indianapolis Marriott.
